Clinical Professor and Chief of Cranio-
Maxillofacial Surgery at Amrita Hospital,
Kochi

DATE: 5TH FEB 2026

TIME: 9AM - 4PM

VIRTUAL SURGICAL PLANNING OF FACIAL DEFORMITIES

COURSE FACULTY

DR. MARIA JOHN KURIAKOSE

*Consultant Orthodontist
B.D.S, Certificate in Orthodontics
(N.Y.U. USA), Ph.D (University of
Bristol, U.K.)*

Dr. Maria John Kuriakose is a senior Orthodontist with over two decades of clinical and academic experience in the Cranio-Maxillofacial Department at Amrita Institute of Medical Sciences, Kochi. She holds a Bachelor of Dental Surgery from Government Dental College, Trivandrum, a Ph.D. in Neurophysiology, and a Certificate in Orthodontics (MDS-equivalent) from the University of Bristol, UK. She has received advanced clinical training in craniofacial deformities at the clinics of Dr. Grayson, New York University, USA. Her professional experience includes teaching physiology at the University of Bristol and in New York, research work as an MRC Scholar, clinical practice within the UK National Health Service, residency training at NYU, and postgraduate guidance in orthodontics at Amrita Dental College. Her clinical focus lies in the comprehensive, interdisciplinary orthodontic management of cleft lip and palate and complex craniofacial anomalies, as well as adult orthodontics in conjunction with orthognathic surgery for skeletal malocclusions, with an emphasis on careful treatment planning, sound biomechanical principles, and long-term functional and aesthetic outcomes.

DR. PRAMOD SUBASH

*Clinical Professor and Chief of
Cranio-Maxillofacial Surgery at
Amrita Hospital, Kochi*

Dr. Pramod Subash is the Chief of Division of Cranio Maxillofacial Surgery, Director of the Cleft lip and Palate program and Co-director of Craniofacial Surgery at Amrita Institute of Medical Sciences and Professor in Oral and Maxillofacial Surgery, Amrita School of Dentistry, Kochi, specialising in Craniofacial Surgery, Craniofacial Distraction osteogenesis, Cleft lip and palate repair, Jaw surgery for facial asymmetry and deformities, TMJ Arthroscopy, TMJ surgery and TMJ Replacement, benign cysts and tumours of jaws, Reconstruction of jaws and facial bones, Post traumatic orbit and facial deformity correction, Minor maxillofacial and oral surgery. He is a member of and active in prestigious national and international organizations including the International Society of Craniofacial Surgeons, Association of Oral and Maxillofacial Surgeons of India, Indian society of Cleft Lip Palate and craniofacial Anomalies, American Society of TMJ Surgeons and Indian Society of TMJ Surgeons. Dr. Pramod Subash has keen interest in research in the fields of cleft and craniofacial surgery and is also instrumental in popularising craniofacial surgery and TMJ surgery in India through annual teaching workshops and updates.

VIRTUAL SURGICAL PLANNING OF FACIAL DEFORMITIES

WORKSHOP SCHEDULE

- **Morning Session (09:00 am - 01:00 pm)**
